Top 10 Reasons Safe Hands Is Your Best Choice

www.safehandsmaryland.com

1. Your loved one will receive compassionate care and be treated with dignity and respect by our well-trained professional caregivers who have passed a national background check.
2. Safe Hands has been a national franchise organization since 2005, which means system-wide policies and procedures ensure the highest standards of in-home care.
3. Safe Hands employs all of our caregivers, which removes 100% of the liability from you, including taxes, workers' compensation, insurance, and income taxes.
4. We offer quality assurance phone calls and visits to ensure your professional caregiver meets and exceeds your needs.
5. We can quickly match your home care needs with one of our professional caregivers. Whether it is for a few hours or 24-hour assistance, our dedicated team is here to serve you.
6. Our team of professionals are effective communicators. We remove the burden from you and facilitate communication between family members, agencies, and healthcare providers.
7. We offer customized home care based on your needs. From respite care to around-the-clock personal care, our professional caregivers can handle non-medical needs.
8. We partner with community resources to help coordinate all the services needed so your loved one can maintain independence and remain at home.
9. We commit to providing quality and compassionate home care with competitive pricing.
10. We provide care wherever you call home, including private homes, assisted living facilities, nursing homes, or group homes.
